

Five little pumpkins were sitting on a gate. The first one said, "Oh my, it is getting late."

The second one said, "There are bats in the air!" The third one said, "It is just a leaf there!"

The fourth one said, "Let's run and run and run!" The fifth one said, "I am ready for some fun."

Clouds hid the moon - there was no more light. So the five little pumpkins rolled out of sight.
