

Free Birthday Craft Party Hat

www.Quality-Kids-Crafts.com

Directions: Print on paper or card stock. Child may paint or color the hat as desired, then cut out on dotted lines.

Create holes for string by punching out the gray circles with a hole punch. Use elastic, string, curling ribbon, or whatever you choose to secure party hat. You may choose to reinforce the holes by placing tape over the circles before punching, or using hole reinforcer stickers that are commonly used as office supplies. *Enjoy!*
